Hi! I found this great song of you: 03. Spectrum (Subdiffusion Mix)

I'd like to use it for my work, but I will not sell the video, it will be only for showing to our future clients what can we can do with your magazines and how... so we are not selling the video or making money with it, we will be showing and just that.

We will put your credits and references in the credits if you are agree, but I needed to ask first, I will not make anything that is illegal.

I hope you can help me with this, thank you so much guys, you rock.

(I speak spanish, excuse my grammar)

I'm sorry I forgot to explain, by showing a product I mean to show our place where people can come and speak to a psychologist, I cant explain myself on english, but you get the idea, thanks.
