Toucan Music presents 19 more tracks in this second Best Bytes compilation, which features a variety of electronic dance music styles from the pumping house of Beat Doctor to the chilled grooves of Redmann's Fragile Heart and spine-tingling melodies of Psychadelik Pedestrian's Lullaby. Spanning a 12 year period, the album traces some of the most popular Toucan tracks from 2001 right through to 2013, and all of the material has been remastered especially for this compilation.
